PROGRAM OVERVIEW

Seminario Bíblico Anabautista Hispano de la Iglesia de los Hermanos (SeBAH-COB)

Persons who successfully complete the program have fulfilled the educational requirements for ordination.

What is SeBAH-COB?

SeBAH-CoB is a training program that promotes a biblical and theological identity that is faithful to the Anabaptist and Pietist heritage. It is geared toward capacity-building of ministers in a way that is specific to the needs of Hispanic Church of the Brethren congregations. With the guidance of the Holy Spirit, SeBAH-CoB prepares students to focus their service within their congregation, without removing them from their context.

All courses are 12 weeks long and are taught online by Mennonite and Brethren instructors. Four courses are offered each year. Video conferencing (Zoom, Skype, Whatsapp) may also be used to allow for interaction between students and the instructors. In addition to coursework, all students engage in supervised ministry (internship) and attend at least one District Conference and one Annual Conference during their time of study. District SeBAH coordinators provide support and guidance to students during their training.

Who Offers the SeBAH-COB Program?

SeBAH-COB is a certificate-level, Spanish-language ministry training program coordinated by the Brethren Academy for Ministerial Leadership (BAML) in partnership with the districts and the Mennonite Education Agency (MEA), Hispanic Pastoral and Leadership Education office.

All students enter SeBAH-COB with the approval and support of their district. District-appointed SeBAH coordinators oversee the program, providing guidance and support to students. Students who move to a new district while enrolled in SeBAH-COB shall notify the Brethren Academy Office, the district coordinator from the previous district, and the district coordinator of the new district. In order to continue in SeBAH-COB, a student must have the approval and support of the new district.

Who Can Participate in SeBAH-COB?

Those committed to Jesus Christ and the church who

- sense a call to ministry in the Church of the Brethren and are willing to test that call
- have a high school diploma (or equivalent) and the ability to do college-level work
- wish to fulfill education requirements for ordination or to upgrade previous training.
- have gifts for ministry, discerned and affirmed by the congregation and the district
- have the self-motivation to pursue a disciplined course of study for ministry

What Does SeBAH-COB Cost?

The total cost of the SeBAH-COB program will depend on the progress of the student through the program (i.e. how many courses the student chooses to take per year).

Below are the various costs involved in the program.

- Enrollment Fee: \$55, due at time of application
- Individual Course Fee: \$375, to be divided between the student, the congregation and the district
- Cost related to Experiences

Financial Assistance is available for students taking 2 or more courses a year and for students attending Annual Conference to meet SeBAH requirement

ADMISSIONS PROCESS FACT SHEET

Seminario Bíblico Anabautista Hispano de la Iglesia de los Hermanos (SeBAH-COB)

Persons who successfully complete the program have fulfilled the educational requirements for ordination

The admissions process into the SeBAH-COB program consists of the following steps:

1. The district determines whether to recommend a person for SeBAH-COB, preferably in consultation with the district SeBAH coordinator. A high school diploma (or the equivalent) is a prerequisite for entrance into the SeBAH-COB program.
2. The district executive/minister fills out and signs the *Prospective Student Profile* and mails it to the Brethren Academy office. The entrance process includes a background check, initiated by the district through the Church of the Brethren Office of Ministry. The profile requires the date the completed background check is submitted to the district office along with the initials of the district executive/minister.
3. The Brethren Academy sends a SeBAH-COB application to the prospective student, who will complete and return it to the Brethren Academy with the enrollment fee of \$55. Districts differ in their determination of who pays this enrollment fee. A copy of the completed application form is sent to the district by the Brethren Academy as a courtesy. As an application is considered, Brethren Academy staff may interview the student by telephone or video conferencing platform.
4. Upon acceptance into the program, the student participates in an orientation via video conferencing with staff of the Mennonite Education Agency, Hispanic Pastoral and Leadership Education office regarding the basics of online education. Students also meet with BAML staff for an introduction to the full SeBAH-COB program.
5. Students may enter the program at any time.
